Here is a known daughter of DVFC Nina 145N sired by LVLS Secret Weapon. Weapon is one of the strongest and biggest numbered bulls in the entire breed. He is responsible for creating some of the finest numbered and high performing cattle. This heifer has the blend of the strong numbers, unique profile, and overall balance that we would ever want in a young Limousin female. This heifer stems from the strongest and progressive cow families at DVFC.

AI'd 2/14/2009 to DVFC Blaque Cookie 101R — Safe.
